1875, about 12 Lectures on
 Etiology, Public Hygiene and Vital Statistics
 25th Lecture on Bathing: yet to come,
Food ①, Excretion ②, Sexual ④ Hygiene, Alcohol ③ Hygiene, Drugs ⑤ Hygiene

all mind is immortal
The intelligence of brutes is mind
Therefore the intelligence of brutes is immortal!!

Brutes are not immortal —
Brutes have mind
Therefore some mind is not immortal

It is spirit that is undying — not mere
mind: — *πνεύμα*, not *νοῦς*.
